

25 Mile Menu

21st August

We've added a voluntary £1 donation to your bill to support Hospitality Action, a charity very close to our hearts. They provide vital support to people working in hospitality, from mental health and addiction services to financial assistance when it's needed most. This September, our very own PIG People will be cycling 450km over three days from THE PIG in the New Forest to Maison Bollinger to raise funds for this incredible charity. We know it's a personal choice, so if you'd prefer not to contribute, just let us know and we'll happily remove it. Registered Charity No. 1101083.
