FRIENDS OF THE PIG

At THE PIG, we're always on the lookout for the very best artisans, and we've handpicked three of the finest sparkling wine producers from across the UK. Not only are these winemakers' friends of THE PIG, but they also offer a wonderful snapshot of the diversity and innovation the UK wine scene has to offer. Think elegant blends and expressive styles, these wines highlight the very best of the three counties.

SUGRUE

In 2006, Irish winemaker and Sussex local, Dermot Sugrue, planted a small vineyard tucked away in Madehurst – the same quiet hamlet as our very own The Pig-in the South Downs. Dermot has long been a figurehead of England's booming sparkling wine industry, spearheading many of the UK's leading brands from Wiston Estate to Nyetimber, and is one of the most successful and awarded winemaking rockstars on our home soil!

HAMBLEDON

Hambleton Vineyard was founded in 1952 by Sir John and Lady Cobb, who sought to revive England's rich winemaking heritage. Based in the heart of Hampshire, the vineyard benefits from a unique combination of chalky soil and a cool climate – the idea place for producing sparkling wine. Today, Hambleton is owned by two of the most historic wine businesses in the world: Berry Bros & Rudd and Symington Family Estates.

SIMPSONS

Simpsons Wine Estate, set in the rolling hills of Kent, is the creation of charming duo Charles and Ruth Simpson, who left behind the French wine regions to cultivate their dream in England. Their commitment to sustainability and producing world-class wines is reflected in every bottle.
